

LEZARD SURFACE FINISHES

THE SILVER LINING SERIES

A collection of **Water-based Metallic Color Wash** in a wide range of colors perfect for DIY.

Not only does our series cover the color spectrum of Silver Lining (silvery white to yellow gold), it also brings you a warm and welcoming atmosphere like the gorgeous sunshine.

With its soft shimmer, this gentle metallic color wash can paint the interior with elegance and light up your life, unlike the ordinary, cold & solid metallic paints.

More importantly, they are *odorless & water-based*, and are therefore environmentally friendly.
